## EXPERIENCE

### Supply Chain Procurement Intern

June 2024 – Present

Northstar Photonics

San Jose, CA

- Played a key role in the planning and execution of a new product line by supporting the operations manager, **managing supplier communications, preparing reports, creating BOMs, and analyzing SOWs** to ensure a smooth launch.
- Issued PRs and POs, verified CofC and CofA documentation for direct materials and ensured compliance with customer requirements to **maintain traceability and quality in procurement processes**.
- Leveraged free platforms to find a candidate with specialized certifications for a critical path task, **saving \$13,000 in staffing fees and enabling on-time production start**.

### Salesforce Lab Assistant

May 2024 – Present

San Jose State University Department of MIS

San Jose, CA

- **Assisted over 200 students** in completing lab manuals by leveraging Salesforce technology to **build web-based database applications** with complex object relationships.

### Project Manager

May 2024 – July 2024

Project Management Institute

San Jose, CA

- Built cross-functional relationships with PMI stakeholders, **conducted 4 interviews** to gather requirements, developed project documentation, built an MVP, and presented to **6 key stakeholders**.
- Optimized workflows through automation and integration, **cutting manual tasks by 50% and fully utilizing a previously underutilized \$9,000 annual budget for Asana**.

### Founder

December 2019 – Present

Angelo's Automotive Detailing

San Jose, CA

- Founded an automotive detailing business, prioritizing quality work and customer experience, **providing services to 70+ customers**.
- Adapted business processes through A/B testing and customer feedback, analyzing and restructuring to improve processes, **leading to a profit of \$10,000 within the first 3 months**.

### Assistant General Manager

May 2023 – May 2024

Teaspoon

San Jose, CA

- Coached a struggling barista, identified leadership potential, and prioritized their development, **leading to 2 promotions** and recognition as **"Most Improved" in Q1 2024**.
- Developed a productive team by implementing weekly team meetings, redefining roles, and conducting cross-training efforts, **leading to 15% efficiency improvement**.

## PROJECTS

### MISconnect | Personal Project

March 2024 – Present

- Creating an online platform for SJSU's MIS community, **aiming for 500 active members** initially and over 1,000, to enhance networking, knowledge sharing, and community building by Fall 2024.

### Live Analytics Dashboard | Fundamentals of MIS

Jan 2024 – May 2024

- Analyzed 10,000 sales records with Google Colab and Python, **driving margins from 1% to 38% and increasing annual profit by 10%**. Collaborated with a **team of 3** to develop a live analytics dashboard, presenting it to key stakeholders and winning "Best Solution."
